Important: Please attach pictures of the current state of the sidewalk when you send this form.

Disclaimer:

There are several factors that determine when work will reach your block. Please keep in mind that this is a new project, and we do not yet have an estimated timeline for when your area will be addressed.

There must be 1) at least two UEZ certified businesses on your block to be eligible including yours, or 2) you are a certified UEZ business and take up at least 50% of the block.

If you have any trouble getting certified, please contact emallen@trentonnj.org

Special Requests:

These requests will be considered, but they are not guaranteed.

A large, empty, light gray rounded rectangular box, likely intended for users to enter their special requests. The box has a thin dark gray border and rounded corners.
